

# Garner Rd Construction Update:

## Fiddler's Green Restrictions (June 2024)

The water main installation project on Garner Rd is entering its FINAL PHASE on June 11, 2025.

The intersection of Fiddler's Green and Garner will be partially closed for an estimated 4 weeks starting Wednesday, June 11. Westbound traffic flow will be maintained throughout the work (see yellow arrows in the images)

Construction through this intersection - and the areas immediately east and west of it, which are already underway - are all that remain in order to wrap up this project.

Initially scheduled for completion by the end of December 2025, work on this large project has generally progressed well and is currently tracking to be done in July 2025, pending any unforeseen circumstances.

Please see the attached letter and images which outline the restrictions at the Fiddler's Green intersection starting June 11. Note that there are two images: weeks 1 & 2 then weeks 3 & 4: One additional restriction will be added during weeks 3 & 4 of the closure.

The final image is the detour route while this work is underway.

I know that this project has been long, starting in March 2024, but we are almost there!

**Attention: Residents / Businesses**  
**Construction Notice for Contract C15-01-23(HW)**  
**Garner Road West at Fiddlers Green**  
**UPCOMING INTERSECTION CLOSURE**

Dear Resident/Business Owner:

The City of Hamilton has a contract with Green Partners Infrastructure Inc. (GIP Inc.) to complete works as called for under Contract C15-01-23(HW). Starting Wednesday June 11<sup>th</sup>, we will be closing a section of the Garner Road W and Fiddlers Green intersection for approximately 4 weeks.

The road closure is required to install the watermain and reconstruct the road section. During this closure, please note the following traffic restrictions will be in place (please see images attached):

**Week 1 and 2:**

**Garner Road West:**

- Westbound traffic will be maintained.
- Eastbound traffic will be required to detour between Panabaker Drive and Miller Drive.

**Fiddlers Green:**

- Both directions will be maintained from the 403 to Garner Road West
- There will be no north/south (straight through) movement through the intersection of Garner.
- All south bound vehicles will turn west (right) at Garner Road West
- There will be no access to Garner Road for north bound vehicles approaching from Book Road

**Week 3 and 4:**

**Garner Road West:**

- No right-hand turn (north bound) onto Fiddlers Green
- Westbound traffic will be maintained.
- Eastbound traffic will be required to detour between Panabaker Drive and Miller Drive.

**Fiddlers Green:**

- Both directions will be maintained from the 403 to Garden Avenue/Liam Drive
- Southbound traffic will be maintained from Garden Avenue/Liam Drive to Garner Road
- There will be no north/south (straight through) movement through the intersection of Garner.
- All south bound vehicles will turn west (right) at Garner Road West
- There will be no access to Garner Road for north bound vehicles approaching from Book Road

Detours and traffic control and safety measures will be put in place to prevent unwanted traffic for this area of the closure, and we will monitor and adjust as needed. We ask for your patience during this period. However, for the duration of the project, the City of Hamilton on-site inspector will be made available to explain the sequence of work and answer any construction-related questions.

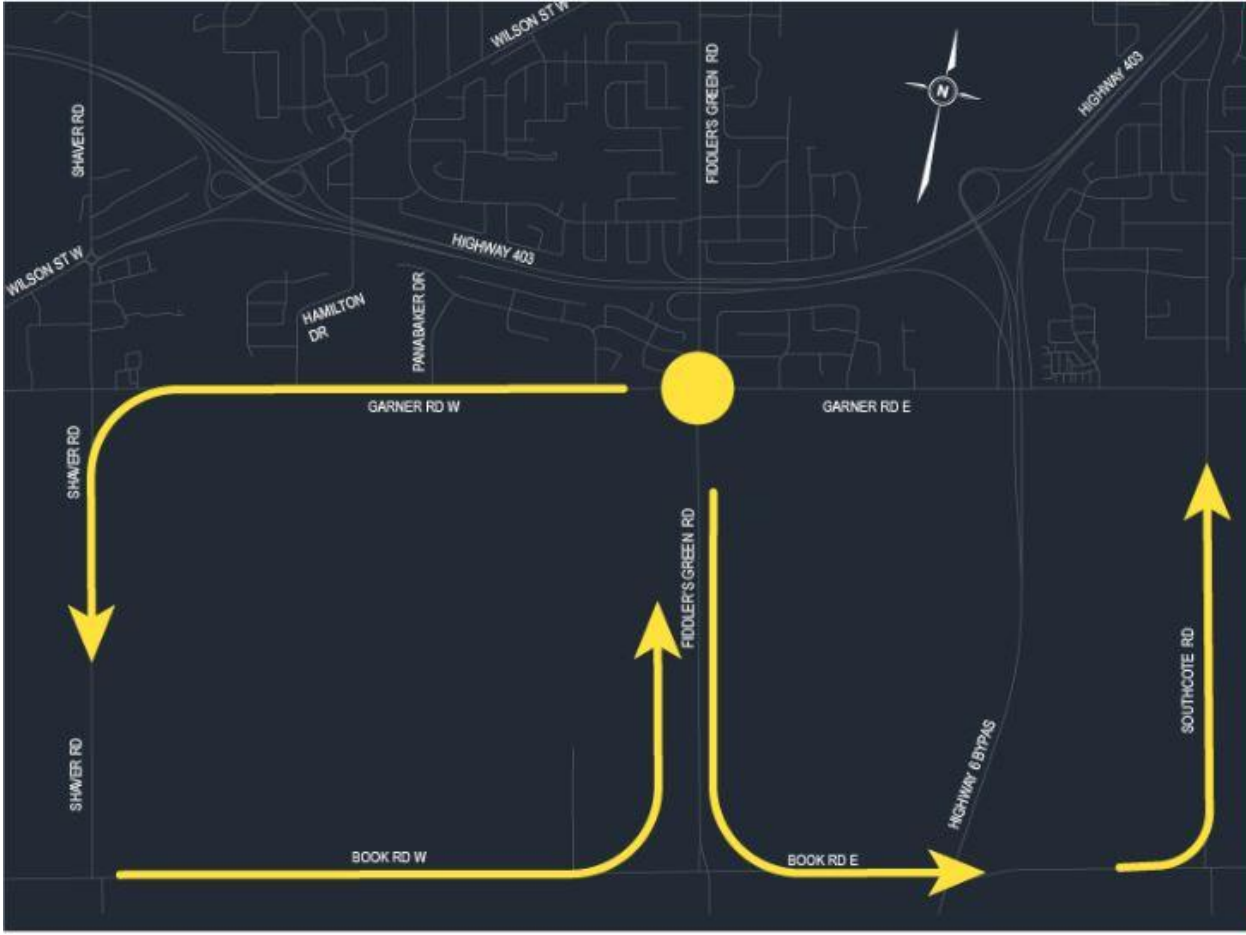

For updates and traffic maps, refer to the story map at  
<https://www.hamilton.ca/GarnerRoadImprovements>.
